## Basic and Impactful

# The high performance A3 mono multifunction printer to empower your workplace

### High productivity at an economy price

RICOH M 2701 has a print speed of up to 27 pages per minute and comes standard with a paper tray that feeds up to 500 sheets to ensure easy and smooth printing operations. Additionally, RICOH M 2701 is equipped with Automatic Reverse Document Feeder (ARDF) to read and copy documents easily. We have made this combination of high productivity and comfortable ease of use available at a reasonable price.

### Easy installation and maintenance

RICOH M 2701 is easy to set up as soon as the machine arrives with the hassle-free developer and imaging units installed by default. Installation can be done at a breeze with the help of Ricoh's step-by-step installation guide. Further upkeep, such as handling paper jams or replacing toner is also simple.

### Better connectivity and usability

RICOH M 2701 comes with a standard Network Interface Card or an optional wireless LAN to provide greater printing experience. Printing can even be performed directly from your smartphone. It is also equipped with a variety of functions, such as easy digitization and sharing of hardcopy through "Scan to Folder/E-Mail/USB", "ID Card Copy & Scan" to support daily work, and even "Locked Print" to attach passwords and ensure the safety of personal information. Your job will be smoother than ever before.

### Security in our DNA

Recognising modern business security challenges, RICOH M 2701 ensures business information remains secure with robust security layers in place. Document confidentiality can be maintained by suspending print jobs, and only be released when authentication is done at the device. Network encryption ensures data transmission remains safe.
