

RICOH EZ PLUS 2.0

RICOH
imagine. change.

An essential aspect
of flexibility starts with
RICOH EZ Plus 2.0

INTRODUCTION

As technology advances, it changes the way we work. The RICOH EZ Plus 2.0 is a multi-functional application that helps to provide greater flexibility in documents creation and processes through our RICOH Intelligent Devices.

The RICOH EZ Plus 2.0 offers an ease of use with new single user interface which is intuitive and easy to use. It has the flexibility to cater for different input and output document sources.

Now you can work smarter and quicker with the new RICOH EZ Plus 2.0.

Document editing at your fingertips

Create customizable printing materials

Support basic device management setting

Quick response to updates and bug fixing

RICOH EZ Plus App 2.0

Changes can be made instantly using the RICOH EZ Plus 2.0 application without going back and forth to the desktop

Ricoh
EZ Plus
App 2.0

Documents are created and edited directly within the application

EZ DOC

Simple task such as cropping, editing or masking looks easy but it is time-consuming. Now it is made easy with EZ Doc.

EZ Doc is a document-doctor application with multiple tools within the platform to help you rebuild, recreate and refurbish any documents.

Mask out sensitive information or highlight important points on documents

Crop out designated area from document

Customize and personalize documents with text and images

Insert or remove pages from electronic file can be done simultaneously with EZ Build Job and EZ File Cut

Common Issues

Time consuming in scanning multiple odd-sized receipts or documents

Remove sensitive information from hardcopy documents

Corporate identity such as company logo is missing from important documents

Combine hardcopy together with existing electronic file

EZ CREATIVE

Projects at the workplace are made easier & more fun.

EZ Creative application allows user to design with ready-made template and personalize data information automatically within a single operation.

Maximize awareness of corporate identity through inserting of company logo

Design calendars for daily task planning or event reminders

Create envelope with sender and recipient information

Create personalized tent cards for corporate functions or events

Common Issues

Require tent card for impromptu meeting or event

Losing track of completing tasks and upcoming events

Time consuming in preparing promotion or announcement mailer for individual

Creating templates from scratch
