**Priort™ | DX 2430**

swift  
service

easy &  
high-quality  
colour

durable &  
reliable

# Straightforward productivity

High-speed printing does not have to be expensive. The Priort™ DX 2430 offers excellent value for your money. Printing an impressive 90 pages per minute, this system is both reliable and user-friendly. Adding spot colours or editing documents for a professional look is easy. This duplicator turns into an extra fast printer when upgraded with a PC controller.

- High performance.
- Smart paper feed.
- Easy colour drum change.
- Several editing functions.
- Optional PC controller.

## Quality at low cost

## Swift service

- Attain excellent productivity levels at 90 prints per minute.
- Job flow from master-making to printing takes only one minute.
- Turn your duplicator into a high-speed printer with the optional PC controller.

## Easy & high-quality colour

Spot colour printing becomes uncomplicated and inexpensive with the DX 2430. The colour drum is easy to change. Ten standard colour inks and unlimited custom tints are available. The device offers a fine 300 dpi print quality. You obtain the best images printing directly from your PC with the optional PC controller.

## Durable & reliable

- New ink pump: reduced maintenance costs and increased reliability.
- Reliable paper feed: separation mechanism, adjustable feed pressure.

## Edit directly

- Enlarge, reduce or combine originals without creating a second-generation original on PC.
- Get fine print results with mixed documents by using Photo/letter mode.

## Work with thin paper

Do you use light paper types? With the DX 2430 your productivity is never compromised. This system automatically detects a misfeed and instructs the feed system to retry. The DX 2430 handles paper as light as 35 g/m<sup>2</sup> without any problems.

## Think green

Lower your energy bills and reduce your carbon footprint at the same time. A duplicator's printing process requires no heat. For that reason, the DX 2430 uses significantly less electricity than conventional printers. Digital duplication goes easy on the environment – and on your pocket. Lack of emissions ensures a healthy and sustainable work environment.
